Tournament Information

Traditionally played around the Labor Day weekend, the Pine Oaks Invitational successfully moved to the spring in 2003 to encourage participation and to separate from the busy fall holiday weekend and football. The **33rd edition** of this event continues to feature 36-holes of stroke play competition. The **Seniors division** was added 7 years ago and 2 years ago a **New Super Seniors Division was added**. **Entry fee is \$100 per player; Pine Oaks members \$75.00 per player. Entry includes: practice round (Cart Fee only), tee gift, range balls, food and free beverages during competition and fellowship.** The field is limited to 112 players. Flights will be determined by the first round scores in the Regular and Seniors divisions. The Super Seniors division will have gross and net prizes. The Regular and Senior divisions is a point's tournament for the Marion County Golf Association Player of the year standings.
